# HL7 AU Scope Statement

# AU Patient Summary Inferno Testing Framework

# Project Scope Statement

| | | | | | | |
|---|---|---|---|---|---|---|
| **Project Title** | AU Patient Summary Inferno Testing Framework Project | | | | | |
| **Project Description** | Develop the Inferno testing service and associated test cases to support the implementation of the AU Patient Summary FHIR Implementation Guide. | | | | | |
| **Project Need** | Supporting tools for developers to test and check conformance when implementing the AU Patient Summary FHIR Implementation Guide. | | | | | |
| **Project Scope** | The initial phase of this project will deliver the AU PS Testing Framework aligned with AU PS Implementation Guide R1. The initial product release will test a server against requirements in the AU PS FHIR Implementation Guide. | | | | | |
